WASHINGTON, DC 20510-3203

April 16, 2026

Subcommittee Chair Katie Britt  
Subcommittee on Homeland Security U.S.  
Senate Committee on Appropriations  
Washington, D.C. 20510

Subcommittee Ranking Member Chris Murphy  
Subcommittee on Homeland Security  
U.S. Senate Committee on Appropriations  
Washington, D.C. 20510

Dear Chair Britt and Ranking Member Murphy,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Homeland Security Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Charles E. Schumer  
United States Senator

Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Erie County Department of Homeland Security & Emergency Services	Expansion of the current Emergency Operations Center (EOC) in Erie County.	Erie County NY	\$4,500
New York City Department of Small Business Services	This project supports preliminary design of a new wet-weather stormwater pump station and associated drainage improvements in Lower Manhattan.	New York County NY	\$4,650
New York City Department of Small Business Services	This project advances the preliminary (30%) design for modernizing the Staten Island Ferry Terminal (SIFT) in Lower Manhattan to mitigate current and future flooding risks and ensure continuous ferry operations.	New York County NY	\$3,517
Oswego County Emergency Management Office	Building a new County Emergency Operations Center.	Oswego County NY	\$3,000
Town of Ramapo	Emergency Operations Center and training facility to coordinate multi-agency response and preparedness for community emergencies, including severe weather, natural disasters, and public health incidents.	Rockland County NY	\$3,750
Town of Smithtown	Replacement of two (2) aging/compromised below-grade fuel tanks with one double walled above ground tank for use by the Town Department of Public Safety Marine Division for patrol and rescue as well as provide retail fuel for community boaters.	Suffolk County NY	\$825
Incorporated Village of Port Jefferson	Project will fund the integration of a flood risk management system to protect critical Village infrastructure. This includes the implementation of stormwater storage and conveyance upgrades to substantially reduce flood depths and enhance long-term community resilience.	Suffolk County NY	\$20,925
City of New Rochelle	Modernization of the City of New Rochelle's Emergency Operations Center through HVAC replacement, electrical upgrades, fireproofing, window and interior repairs, environmental remediation, and other facility improvements necessary to support coordinated emergency response operations.	Westchester County NY	\$769
City of Yonkers	Funds to stabilize the steep hillside west of Warburton Avenue to mitigate the recurrence of mudslides and thereby avert Metro North Railroad blockages, damage to Westchester County's trunk sewer, and destabilization of residences and municipal infrastructure.	Westchester County NY	\$4,162
Town of Rye	The Town of Rye will update the sea wall, a key infrastructure at Rye Town Park ("RTP") to prevent its collapse, secure the park's resilience against storms, and improve the safety and longevity of the park.	Westchester County NY	\$810
