

United States Senate

WASHINGTON, DC 20510-3203

April 21, 2026

Subcommittee Chair Shelley Moore Capito
Subcommittee on Labor, Health and
Human Services, Education, and Related Agencies
U.S. Senate Committee on Appropriations
Washington, D.C. 20510

Subcommittee Ranking Member Tammy Baldwin
Subcommittee on Labor, Health and
Human Services, Education, and Related Agencies
U.S. Senate Committee on Appropriations
Washington, D.C. 20510

Dear Chair Capito and Ranking Member Baldwin,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Labor, Health and Human Services, Education, and Related Agencies Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Charles E. Schumer
United States Senator

**Schumer, Charles(D-NY) Labor, Health and Human Services, and Education
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Center for Economic Growth, Inc.	Funding will help provide resources for success coaches, apprenticeship expansion programs, and emergency stipends for students enrolled in advanced manufacturing and construction trade workforce development programs to bolster the talent pipeline for these industries.	Albany County NY	\$1,500
North Central Bronx Hospital	Funding will enable North Central Bronx to purchase a CT scanner and build a new CT Suite to provide additional services to the facility.	Bronx County NY	\$3,500
Olean General Hospital Foundation	Requested funds will replace Olean General Hospital's end-of-life MRI system and complete required suite upgrades to restore high-quality diagnostic imaging for rural patients.	Cattaraugus County NY	\$2,000
Roswell Park Comprehensive Cancer Center	Purchase a new PET/CT scanner.	Erie County NY	\$1,400
Jericho Road Ministries, Inc.	Funding will support the replacement of an outdated EHR system at Jericho Road Community Health Center, enabling integration with the region's major hospital systems and improving care coordination, operational efficiency, and access to high quality care.	Erie County NY	\$1,514
Genesee Community College	Funding will support the establishment of an Advanced Welding Skills Training Program to address workforce shortages in manufacturing, construction, agriculture, and defense-related industries in Western NY.	Genesee County NY	\$1,804
The Brooklyn Academy of Music, Inc.	Funding will support K-12 arts education at BAM through in-school programs, workforce development, and other initiatives.	Kings County NY	\$5,000
Churches United For Fair Housing, Inc.	Affordable housing services to assist tenants and people experiencing homelessness.	Kings County NY	\$2,000
Asian Community Center	Targeted vocational training and apprenticeship to meet gaps in the labor market and elevate underserved communities into high-skilled medical employment.	Kings County NY	\$380
United Jewish Organizations of Williamsburg, Inc	The Family Support Access Program will help families reduce dependency by providing housing, workforce, special education, and other supportive services, while reducing barriers and connecting them to essential health, nutrition, employment, and educational supports.	Kings County NY	\$750
Research Foundation of The City University of New York - Brooklyn College	The Transfer Student Research Program (TSRP) at Brooklyn College is a transformative research mentorship initiative designed to support transfer students - often among the most vulnerable populations in higher education - by fostering academic engagement, research skills, and intellectual community.	Kings County NY	\$542
Little Haiti BK, Inc.	A comprehensive program designed to support vulnerable families in achieving long-term financial stability, protecting intergenerational assets, and reducing reliance on public benefits.	Kings County NY	\$1,000
Carroll Gardens Association, Inc.	Provide comprehensive workforce development training and wrap-around tenant assistant services to equip working New Yorkers with enhanced employability skills while ensuring their ability to access stable, affordable housing.	Kings County NY	\$175
NYPD Fighting Finest, Inc.	Boxing and education program serving primarily students from low-income communities.	Kings County NY	\$150

St. Ann's Warehouse, Inc.	Funding will support expansion of youth engagement program.	Kings County NY	\$150
NYC Health + Hospitals/South Brooklyn Health	Funding will support the construction and renovation of new on-call rooms for doctors and residents.	Kings County NY	\$2,000
Safe Horizon, Inc.	Services for victims of child abuse and family violence in partnership with law enforcement.	Kings County NY	\$1,000
The Brooklyn Hospital Center	Complete overhaul of twelve deteriorating elevators at TBHC's main hospital building to ensure they operate safely and consistently.	Kings County NY	\$5,508
United Way of New York City (UWNYC)	Funding will support capital improvements for food pantries and innovative food delivery for New York's most vulnerable food-insecure residents.	Kings County NY	\$1,390
Metropolitan New York Coordinating Council on Jewish Poverty	Met Council will expand access to emergency food and supportive services for low-income older adults, including homebound Holocaust survivors, to help them remain safely and independently in their homes.	Kings and Queens Counties NY	\$2,805
Crouse Community Center, Inc.	Funding will support the construction of the first Pediatric LTC Unit for Central NY to ensure capacity at Golisano Children's Hospital.	Madison County NY	\$2,380
University of Rochester	Replacement of advanced brain imaging research equipment.	Monroe County NY	\$2,000
Monroe Community College	Monroe Community College requests funding to equip a new micro-credential lab, hire two instructors for a three-course program, and support an outreach specialist and student success coach to enhance partnerships with school districts, improve student retention and completion.	Monroe County NY	\$1,612
Oak Orchard Community Health Center, Inc.	Funding will support the expansion and rehabilitation of Oak Orchard Community Health Center's Brockport facility to increase access to behavioral health services.	Monroe County NY	\$1,500
NYU Langone Hospitals	Imaging services equipment at NYU Langone Hospital-Long Island.	Nassau County NY	\$2,500
Research Foundation for The State University of New York - SUNY Old Westbury	Expand SUNY Old Westbury's STEAM curriculum through campus-wide AI micro-credentials, new engineering program, enhanced external partnerships, and universal experiential learning, ensuring every student gains hands-on skills for innovation-driven careers.	Nassau County NY	\$2,500
Adelphi University	Funding will update and expand Adelphi's nationally accredited simulation lab, which will improve clinical competency, increase enrollment capacity, and provide essential hands-on training, ensuring a high-quality practice-ready workforce.	Nassau County NY	\$1,800
Lincoln Center for the Performing Arts, Inc.	Requested funding to expand youth arts education programming.	New York County NY	\$355
Memorial Sloan Kettering Cancer Center	Memorial Sloan Kettering Cancer Center is seeking computing equipment to expand clinical genomic testing and enable more precise cancer care, while also supporting advanced analytics and accelerating cancer research.	New York County NY	\$2,000
New York City Ballet, Inc.	Expand New York City Ballet's (NYCB) Access Programs, which include a variety of free and very low cost, highly customized programs for children, teens, and adults with physical and cognitive disabilities, as well as senior citizens.	New York County NY	\$500
