

United States Senate

WASHINGTON, DC 20510-3203

March 31, 2023

The Honorable Patty Murray
Chair
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Susan Collins
Vice Chair
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Tammy Baldwin
Chair
Subcommittee on Labor, Health and Human
Services, Education, and Related Agencies
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Shelley Moore-Capito
Ranking Member
Subcommittee on Labor, Health and Human
Services, Education, and Related Agencies
Senate Committee on Appropriations
Washington, D.C. 20510

Dear Chair Murray, Vice Chair Collins, Chair Baldwin, and Ranking Member Moore-Capito:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Labor, Health and Human Services, Education and Related Agencies Appropriations bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Thank you for your consideration of these important requests.

Sincerely,

Charles E. Schumer
United States Senator

**Schumer, Charles(D-NY) Labor and Health and Human Services
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Mount Kisco Public Library	Mount Kisco Public Library is looking to partner with the Manzi Center in order to create an ongoing monthly program that offers Developmentally Disabled adults, who visit the center, an opportunity to come to the library and participate in established program events.	Mt. Kisco NY	\$3
NYU College of Dentistry	NYU College of Dentistry seeks funding to support and enhance the NYU Dentistry Oral Health Center for People with Disabilities.	New York City NY	\$2,500
Rockland Community College	This education and career pathway will address New York's critical workforce shortage in the health care and social services industries by guiding and supporting students into high-paying, in-demand careers.	Suffern NY	\$1,500
Center for Disability Services, Inc.	Supervised one-story residence to address the "aging in place" initiative, specifically for individuals with intellectual and developmental disabilities, which also meets the Federal Carbon Reduction goals.	Albany NY	\$1,549
Albany Med Health System	This project will upgrade and institutionalize the IT platform across the Albany Med Hospital System (AMHS) in order to achieve operational efficiencies, and assure quality healthcare across the vast array of communities it serves.	Albany NY	\$1,000
Albany-Schoharie-Schenectady-Saratoga Board of Cooperative Educational Services	"Sources of Strength is a suicide prevention program based in New York's Capital Region that offers students in crisis access to on-demand and long-term mental health services."	Albany NY	\$1,048
University at Albany, State University of New York	Funding will develop a home-based tele-robotic rehabilitation system (TRRS) to treat stroke patients and related supporting applications that demonstrate how robot-assisted tele-rehabilitation can revolutionize healthcare, bringing clinical and rehabilitation skills to rural/underserved communities.	Albany NY	\$3,000
The Research Foundation for the State University of New York	Funding will create a hub for learning, research and development focused on the environment and economy including: fisheries management/marine sanctuary development; ecological/community resilience and lake levels; freshwater use/protection; watershed management; teacher education; climate issues.	Albany NY	\$2,000
Alcoholism and Substance Abuse Providers of New York State (ASAP)	Funding will be used to provide training, technical assistance and other workforce and organizational supports targeting addiction, mental health, and general healthcare service providers across New York State to ensure "no wrong door" access for individuals and families with multiple service needs.	Albany NY	\$350
Association on Aging in New York	A state-wide initiative, this project would increase recognition, awareness, and support of unpaid caregivers across New York State to improve the ability of older adults and individuals of all ages with disabilities to live independently and participate fully in their communities.	Albany NY	\$1,500

Big Brothers Big Sisters of the Capital Region, Inc.	Our project aims to create and sustain vital, time-intensive, one-to-one mentoring services and programming for 961 young people from marginalized communities that promote social-emotional learning, combat the current youth mental health crisis, and empower academic success.	Albany NY	\$1,740
The Viscardi Center, Inc.	The Institute for Disability Studies hopes to create the first combined disabilities history education program and interactive cultural institution featuring our 6,000-piece archive to promote social and emotional learning and cultural awareness for disabled and neurotypical students.	Albertyon NY	\$350
Town of Amherst	Funding will provide access to technology and Makerspace equipment to the Community Center that provides afterschool programs and social programs, senior services, teen job training, skill building classes and specialty programs to students and residents in the Sweet Home School District.	Amherst NY	\$97
Town of Babylon	The Town of Babylon is seeking funding to construct a medically supervised, OASAS licensed substance abuse treatment clinic, providing bilingual, culturally sensitive substance use disorder and mental health services to the underserved Amityville and surrounding community.	Amityville NY	\$8,000
Exploring the Arts, Inc.	Funding will increase equitable access to arts education for NYC youth by partnering with schools and arts/cultural organizations to enhance delivery of arts programming in school day, after-school, weekend, summer settings, support students' skill development, and introduce college/career pathways.	Astoria NY	\$250
Long Island Gay and Lesbian Youth, Inc. (LIGALY) DBA LGBT Network	Funds will expand and scale the Queens Safe School Initiative, a program which supports Lesbian, Gay, Bisexual, and Transgender middle and high school-aged youth in substance use prevention, mental health, and anti-bullying by increasing protective factors that create safe and affirming spaces.	Astoria NY	\$750
Auburn Community Hospital	Purchase a modular oncology clean room to process and compound cancer drugs for patients.	Auburn NY	\$3,336
City of Auburn	The City of Auburn, NY is requesting \$5,000,000 for building renovations of a historic 1930s police station into a modern public health and safety hub for the community.	Auburn NY	\$5,000
Wells College	Wells College proposes to relocate the campus data center in order to prevent an IT catastrophe that would devastate the College and imperil a water plant, health center, and elementary school.	Aurora NY	\$2,500
Friends of the Ballston Spa Public Library	Our vital library has not seen a significant update since the 1970's; requested funds would be used for improving comprehensive access to library collections, spaces, programming, renovations to the deteriorating building, improved accessibility, and improvement in resources we offer to the public.	Ballston Spa NY	\$300

Islip Arts Council, Inc.	Funding will allow a three-year Project Director of Student Education and Engagement Programs, to assist with engaging student populations in extracurricular and in-school Arts programming and career exploration.	Bay Shore NY	\$200
