

United States Senate

WASHINGTON, DC 20510-3203

March 31, 2023

The Honorable Patty Murray
Chair
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Susan Collins
Vice Chair
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Chris Murphy
Chair
Subcommittee on Homeland Security
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Katie Britt
Ranking Member
Subcommittee on Homeland Security
Senate Committee on Appropriations
Washington, D.C. 20510

Dear Chair Murray, Vice Chair Collins, Chair Murphy, and Ranking Member Britt:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Homeland Security Appropriations bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Thank you for your consideration of these important requests.

Sincerely,

Charles E. Schumer
United States Senator

**Schumer, Charles(D-NY) Homeland Security
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Broome County	This funding will support municipalities in conducting the analyses needed to gain a better understanding of the risk in levee-protected areas and meet the requirements outlined by FEMA for levee accreditation or freeboard deficient status.	Broome County NY	\$4,500
City of Binghamton	The City of Binghamton is seeking federal funds to pursue the construction of a new stormwater pump station at the intersection of Moeller and Court Streets to proactively carry stormwater from the surrounding neighborhood to the Susquehanna River.	Broome County NY	\$3,000
Port Byron Fire Department (Village of Port Byron)	Purchase a 75' aerial ladder truck to provide adequate fire protection on a new 3 story 69 unit apartment complex.	Cayuga County NY	\$1,399
City of Poughkeepsie, NY	The City of Poughkeepsie, NY is requesting funding to support the replacement of firefighting pumper and ladder apparatuses to bring the City's most critical firehouse up to National Fire Prevention Association standards.	Dutchess County NY	\$3,170
County of Essex	This project will provide an upgraded radio communications system for Essex County Public Safety and Emergency Service agencies serving communities throughout Essex County and the surrounding emergency service response area.	Essex County NY	\$1,400
Farmingdale State College	The construction and modernization of an existing Farmingdale State College University Police Department facility to house the campus' Emergency Operations Center (EOC), a training facility and high security storage.	Farmingdale NY	\$1,000
Village of Saranac Lake	A new emergency services facility, combining the village's police, volunteer fire, and volunteer rescue services into one state-of-the-art building.	Franklin County NY	\$12,000
County of Genesee	Funds will be used to replace the county's 18-year old multi-agency command post/mobile EOC which is a vital component to ensure an efficient and effective response for planned and emergency incident response coordination for law enforcement, fire and special operations teams.	Genesee County NY	\$566
Frankfort Center Fire Department	Additions and renovations to the Frankfort Center Fire Station to continue serving the Town of Frankfort with quality fire and emergency services and to meet or exceed code and NYS energy requirements.	Herkimer County NY	\$1,700
Village of Herkimer NY Fire Department	The Village of Herkimer NY Fire Department is seeking funds to replace a 20-plus-year-old Aerial Apparatus.	Herkimer County NY	\$1,400
Livingston County	This project will allow for the hardening and increased resiliency, from an energy perspective, of Livingston County's Emergency Operations Center (EOC) at the Hampton Corners Complex in the Town of Groveland.	Livingston County NY	\$250
Oceanside Library	Funding would be use to purchase and install a natural gas generator which will permit the Oceanside Library to be used as an emergency shelter, charging area, and kitchen for residents and first responders in an emergency or natural disaster.	Nassau County NY	\$350
City University of New York	Requested funding will be used to upgrade facilities, equipment and technology at City University of New York's Emergency Operations Center.	New York NY	\$6,000
City University of New York	Requested funds will be used to harden campus buildings against damage from severe weather events.	New York NY	\$10,000
City University of New York	Requested funds will be used to harden campus buildings against damage from severe weather events.	New York NY	\$10,000

City of Syracuse, New York	This project involves making improvements to Cold Brook Creek, consisting of sediment removal, vegetation clearing, and the replacement of 3 culverts, to increase the capacity of Cold Brook to mitigate over-bank flooding that is impacting residential homes adjacent to the Creek.	Onondaga County NY	\$1,500
Syracuse Fire Department	These funds will be used to build a new 14,000 sq ft 3 bay fire station on the east side of I81, to reduce response times and increase the opportunities for positive outcomes, as well as making the citizens and firefighters safer in Syracuse.	Onondaga County NY	\$14,000
New York State Thruway Authority	The New York State Thruway Authority will develop a scoping study to determine the best alternative to address flooding issues at Milepost 19.51 on the New York State Thruway in the Town of Clarkstown caused by the current culvert that diverts water away from the Thruway.	Rockland County NY	\$375
Town Of Clarkstown	This urgently needed project will provide life-changing flood mitigation to a residential neighborhood that has endured decades of damage and displacement from flooding.	Rockland County NY	\$3,750
Town of Smithtown	Funding will be used for the renovation and modernization of the Town of Smithtown Emergency Operations Center to support the basic needs of the community and local stakeholders.	Smithtown NY	\$316
Village of Amityville	Raise and repave roads and complete all associated drainage connected with the raising of the roads	Suffolk County NY	\$10,000
Richford Fire District	Funds for new construction to replace our current fire station that is deteriorating and has become unsafe	Tioga County NY	\$1,573
City of Utica	The requested funds will be used to construct the City of Utica Joint Emergency Operations and Fire Station.	Utica NY	\$4,468
County of Wyoming	Funding will be used to support equipment and furniture needs in the County Emergency Operations Center.	Wyoming County NY	\$140
