

# United States Senate

WASHINGTON, DC 20510-3203

May 14, 2024

The Honorable Tammy Baldwin  
Chair  
Subcommittee on Labor, Health and Human  
Services, Education, and Related Agencies  
Senate Committee on Appropriations  
Washington, D.C. 20510

The Honorable Shelley Moore-Capito  
Ranking Member  
Subcommittee on Labor, Health and Human  
Services, Education, and Related Agencies  
Senate Committee on Appropriations  
Washington, D.C. 20510

Dear Chair Baldwin and Ranking Member Moore-Capito:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Labor, Health and Human Services, Education and Related Agencies Appropriations bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Thank you for your consideration of these important requests.

Sincerely,

Charles E. Schumer  
United States Senator

**Schumer, Charles(D-NY) Labor and Health and Human Services  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
The State University of New York at Albany	To build a tele-rehabilitation testbed and supporting applications to demonstrate true robot-assisted tele-medicine that has immense potential to revolutionize healthcare delivery by bringing expert clinical and therapy skills to remote and underserved communities.	Albany NY	\$4,500
Siena College	Laboratory and IT equipment to support a STEM laboratory and maker space to enhance the existing science facilities at Siena College, to attract and enroll more students, and to support secondary school teachers and students, as well as local STEM employees.	Albany NY	\$2,476
Albany Med Health System	Medical transportation and associated costs to enable transfer of patients both within and outside the Albany Med Health System.	Albany NY	\$1,500
Visiting Nurses Association of Albany	Implementation of an electronic health record system which will integrate the VNA into the Albany Med Health System EHR.	Albany NY	\$2,145
Association on Aging in New York	Funds will be utilized to provide technological and social support to address medical and social needs of the Older population and their caregivers.	Albany NY	\$500
Big Brothers Big Sisters of the Capital Region, Inc.	This project, from a coalition of eight Big Brothers Big Sisters affiliates serving 24 NY counties, seeks to increase staffing/services by 17% to reduce poverty through time-intensive, one-to-one mentoring programs that promote social-emotional learning combat and the youth mental health crisis.	Albany NY	\$1,653
Capital Region Nordic Alliance Inc.	Capital Region Nordic Alliance Inc. seeks funds to establish year-round nature-based/Adaptive Nordic Sports with High Peaks Cyclery, ADK Club, NY Ski Education Foundation, Homeward Bound for veterans, adults and youth with mobility visual impairments. The region is rural, underserved, distressed.	Albany NY	\$356
Children's Health Fund	The requested funds would be used to address the growing migrant/immigrant crisis in New York State by providing comprehensive healthcare through mobile medical units.	Albany NY	\$10,000
Jewish Family Services of Northeastern New York	Build capacity to address mental health crises for underinsured youth, young adults, and over 60 adults through a model that produces highly qualified providers and investment in technological upgrades to provide services in-office, through telehealth, and throughout the community.	Albany NY	\$252
Special Olympics New York	Special Olympics New York (SONY) will utilize funding to upgrade and modernize central office, regional and onsite program technology to enhance cyber security measures to ensure the safety of our athletes, families, staff, volunteers and donors.	Albany NY	\$278
The State University of New York	This program will build a state-wide navigation program for formerly incarcerated students during reentry to find pathways to educational attainment.	Albany NY	\$504

Alfred State College of Technology, State University of New York	ASC will increase the number of highly trained heavy equipment operators and truck and diesel technicians through outreach to local students, increasing capacity to enroll students in traditional Associate of Occupational Science degree programs, and expanding enrollment in non-traditional programs.	Allegany NY	\$1,139
Hostos Community College, City University of New York	The Bronx Artificial Intelligence Initiative (BAII) will train college students at the three Bronx CUNYs (Lehman, Bronx Community College and Hostos Community College) in the most up-to-date educational and practical applications of AI by creating a new joint degree program between the 3 colleges.	Bronx NY	\$1,200
Montefiore Medical Center	Montefiore Health System will expand normal power on the Moses Campus to bolster power capacity for critical future projects, such as emergency department expansion and modernization, critical care expansion, interventional cardiology expansion, and the system's IT infrastructure upgrade.	Bronx NY	\$8,158
Bard College	Support for building a public-private early college partnership to serve under-resourced high school students in NYC, located in the Bronx with a focus on hands-on STEM learning.	Bronx NY	\$500
The Hip Hop Museum	The Hip Hop Museum respectfully submits this request in consideration for \$5,000,000 dollars to support, expand and purchase equipment for educational and archiving programming.	Bronx NY	\$5,000
BronxWorks, Inc.	To help cover essential costs for the Head Start aligned BronxWorks Bronx Point Early Childhood Learning Center, including salaries for the education director, family service worker, and maintenance worker, as well as for curricular materials, outreach events, and program supplies.	Bronx NY	\$205
South Bronx United Inc	Project will support a third Education Fellowship work pathway for immigrant, first-generation, and at-risk South Bronx youth to participate in 6-month fellowships of paid work experience, job skills workshops, and job placement assistance, alongside social support and immigration legal services.	Bronx NY	\$50
Association for the Development of Vocal Artistry and Neighborhood Cultural Enrichment	ADVANCE seeks funding for salaries, marketing, computer equipment, and internet services to expand its music and technology initiative that bridges the digital divide for older adults in the Bronx through online computer training of its vocal music workshops.	Bronx NY	\$305
Bronx Children's Museum	To extend the impact of the Bronx Children's Museum by integrating a technology-focused learning environment to close the digital divide by furnishing underserved youth with cutting-edge opportunities under the guidance of dedicated mentors while nurturing creativity, confidence, and skills.	Bronx NY	\$450
Bronx Community Health Network, Inc.	To open an Article 28 FQHC designed to provide co-located, integrated medical, behavioral and oral health services, and complementary health promotion, education, outreach, social supports, care coordination and chronic disease management services in partnership with Services for the UnderServed.	Bronx NY	\$2,225
BronxWorks, Inc.	To support the BronxWorks Energy Efficiency Technician/Weatherization Field Crew Training Program that is designed to prepare low-income Bronx adults 18 years of age or older for jobs in the burgeoning green economy, in particular jobs as energy efficiency technicians and weatherization specialists.	Bronx NY	\$455
Calvary Hospital, Inc.	Calvary Hospital seeks congressionally directed funds to replace and modernize the patient/nurse communication system in their palliative care and end-of-life hospital.	Bronx NY	\$1,536

Education Through Music	CDS funds will support music teacher salaries, teacher training, and curriculum development, allowing ETM to partner with 60 under-resourced NYC schools, providing weekly music instruction to approximately 20,000 underserved students for the 2024-25 school year.	Bronx NY	\$400
EmblemHealth Foundation, Inc.	This program would address loneliness and isolation challenges among older adults across the Bronx and Brooklyn, through providing culturally and linguistically competent wellbeing programming and support, and increasing connections to the local community and needed resources.	Bronx NY	\$450
Hope Program, Inc.	To support two of HOPE's green jobs training programs, Intervine and Sustainable South Bronx, in which participants receive classroom-based and hands-on training, industry certifications, job placement services, and lifelong career support, all while making a positive environmental impact on NYC.	Bronx NY	\$1,628
Jacobi Medical Center	Replacement of dilapidated roof system, eliminating water infiltration into patient areas. Thereby, enhancing the quality-of-care environment.	Bronx NY	\$2,200
Jacobi Medical Center	Replace end of life/obsolete equipment with the latest technology, allowing for less delays and increased patient satisfaction.	Bronx NY	\$135
Jacobi Medical Center	Renovate the existing Audiology department by replacing outdated testing booths and obsolete equipment.	Bronx NY	\$1,000
Jacobi Medical Center	Demolition and removal of the existing abandoned MRI trailer.	Bronx NY	\$750
Jacobi Medical Center	Replace (quantity 12) end of life, obsolete electrocardiogram machines.	Bronx NY	\$235
Jacobi Medical Center	Replace end of life/obsolete equipment with the latest technology, allowing for less delays and increased patient satisfaction.	Bronx NY	\$336
Jacobi Medical Center	Pavement of the ambulance bay which has many uneven surfaces and potholes creating a tripping hazard to patients, visitors and staff.	Bronx NY	\$500
Jacobi Medical Center	Removal of heavily damaged existing roofing system and repairs of the existing deck.	Bronx NY	\$1,000
Jacobi Medical Center (Bronx, NY)	Replacement of cracked glass panels in high traffic area for patients and staff alike.	Bronx NY	\$600
Mercy University	This funding would enable Mercy University to upgrade technology in our Clinical Skills/Simulation and Anatomage labs to prepare future health professionals (i.e., nurses and physician assistants) to work in primary care in medically underserved communities especially in the Bronx, New York.	Bronx NY	\$860
Montefiore Medical Center	CHWI's goal is to provide universal access to integrated healthcare and social services for Montefiore's patients in the Bronx; this request will secure universal Community Health Worker coverage throughout the Montefiore Medical Group primary care network, specifically targeting our FQHC clinics.	Bronx NY	\$1,100
Morris Heights Health Center	BeWell@MHHC is an innovative health and human services center serving the highest need communities in the Bronx by integrating under one roof all leading drivers of health outcomes: lifestyle behaviors, financial stability, education, social support, and preventive/primary care.	Bronx NY	\$3,000

NYSARC, Inc. New York City Chapter d/b/a AHRC New York City	To expand the AHRC NYC Bronx Clinical Center for Disabilities to increase access to behavioral health services and evaluation and testing to determine New York State Office for People with Developmental Disabilities eligibility for a vulnerable and underserved group who desperately need services.	Bronx NY	\$425
Per Scholas, Inc.	To expand free, bootcamp-style tech training, professional development, and job search offerings for low-income NYers in NYC and, for the first time, Western NY—a proven model leading to renowned certifications and entry into tech careers while providing businesses a diverse, skilled talent pool.	Bronx NY	\$1,500
Promoting Mental Health by Expanding Access to Higher Education and Community Supports	To support the launch of Seton College, offering associate degree programs with holistic support services to students at risk of poor mental health due to socioeconomic conditions. Poverty is a cause/result of poor mental health, leading to stress, stigma, and trauma, and this cycle must be broken.	Bronx NY	\$1,410
Schools That Can	Schools That Can will adopt their employment to education program into an English language learners curriculum for students we serve to promote their learning and understanding of workforce development and work-based learning activities.	Bronx NY	\$275
Schools That Can	To expand education-to-employment (e2e) programming to more middle and high schools; our aim empowers students to strive for further academic success and thriving employment opportunities nationwide.	Bronx NY	\$4,400
Schools That Can	Our Career Readiness Program's Expansion efforts are designed to offer our enhanced work-based learning and career readiness programming to an additional 35 schools across NY since we have already demonstrated positive education and employment outcomes for students in the communities we serve.	Bronx NY	\$2,200
St. Barnabas Hospital	To purchase a biplane imaging system that provides front and side 3D images of blood vessels and tissues, critical when diagnosing/treating patients with strokes, aneurysms, and blood clots in the brain.	Bronx NY	\$1,933
Start Lighthouse, Inc.	The requested funds will be used to rehabilitate four abandoned and defunct library spaces within Title I public schools into comprehensive literacy centers, reaching over 2400 students with daily literacy programming.	Bronx NY	\$800
The Crenulated Company Ltd. dba New Settlement Apartments (New Settlement)	New Settlement requests funding to create and sustain early employment opportunities within our community-based programs, supported with college and career counseling, for Bronx youth setting their sights on further education and careers.	Bronx NY	\$408
The Research Foundation of CUNY on behalf of Bronx Community College	To establish and operate the Kalief Browder Social Justice Initiative at Bronx Community College, designed to enhance support and resources for justice-impacted youth transitioning from the Future Now program to college life, aiming to improve retention rates and educational outcomes.	Bronx NY	\$500
United Auto Merchants Association	Recruit and train people of minority and homeless and low-income communities in Automotive Technology.	Bronx NY	\$500
University of Mount Saint Vincent	The University of Mount Saint Vincent will increase the pipeline for healthcare professionals by improving instruction of, and student success in, Anatomy and Physiology, the foundation for all healthcare preparation.	Bronx NY	\$773

Visiting Nurse Service of New York Home Care II d/b/a VNS Health Home Care	The Bronx Home Health Access initiative would enable VNS Health to confront the ongoing home health staffing crisis through programs that will increase access to home health care in the Bronx – one of New York’s “home health deserts.”.	Bronx NY	\$1,750
Young Men’s and Young Women’s Hebrew Association of Washington Heights and Inwood, Inc.	To expand vocational training, certification, and job placement programs to serve 170 participants annually, focusing on healthcare, transportation, and technology, while providing essential wraparound services of job readiness supports, referrals to childcare, ESL classes, and finance instruction.	Bronx NY	\$1,500
Brooklyn Arts Exchange, Inc.	To sustain BAX’s Arts Education programs that center equity and empowerment and emphasize creative expression through expert, nurturing instruction in dance, theater, and tumbling, all of which encompasses five core values: skill-building, creative choice, collaboration, performance, and community.	Brooklyn NY	\$50
Broome-Delaware-Tioga Board of Cooperative Educational Services	The Broome-Delaware-Tioga Board of Cooperative Educational Services is creating the Southern Tier Regional School of Practical Nursing to better address the increasing need for nurses in hospitals, clinics and nursing homes in upstate New York.	Broome NY	\$585
United Health Services Hospitals, Inc.	United Health Services Hospitals' Bridging Gaps with Mobile Telehealth project will use mobile medical clinics with telehealth equipment to bring medical services to medically underserved patients in the United Health Services Hospitals, Inc. service area.	Broome NY	\$1,542
Association for Vision Rehabilitation and Employment, Inc	AVRE is requesting funding to expand our manufacturing facility which will result in job creation for blind and visually impaired individuals and will benefit the Southern Tier by bringing in new business.	Broome NY	\$500
Broome Community College	To upgrade Broome Community College's Library and classrooms with new technologies that support more choices in delivery (face-to-face, online livestream, online asynchronous), thereby adding flexibility for when, how, and where students learn, which will bolster enrollment and retention rates.	Broome NY	\$1,500
Broome County Health Department	Funds will be used to supplement the cost of one multi-faceted Fitness Court within a local park as the host site.	Broome NY	\$200
Broome County Urban League	To expand existing childcare services provided by the Urban League in Broome County. Funds will be used to continue the expansion of childcare program opportunities within our region. This will build on the current expansion grant received last year.	Broome NY	\$750
Broome County Office of Emergency Services	The funding would be used to purchase Western Shelter’s Mobile Rugged Expandable Trailer System (MRETS).	Broome NY	\$200
Community Care of Western New York	Our project consists of architectural design services for a licensed residential and acute hospice in Cattaraugus County. This would be the first of its kind providing patient-centered philosophy and policies in a home-like environment for patients their families, and caregivers.	Cattaraugus NY	\$278
Southern Tier Health Care System, Inc.	The requested funds will be used to renovate Southern Tier Health Care System's location at 150 N. Union St., Olean, NY, to enhance healthcare facilities and better serve the community.	Cattaraugus NY	\$650
Total Senior Care, Inc.	Total Senior Care is requesting funds to implement telehealth services in our main PACE center to support our participants and provide them with timely care and services.	Cattaraugus NY	\$51

Auburn Community Hospital	ACH in partnership with SUNY Upstate Cancer Center will open a comprehensive Cancer Care Center in March 2024. This center is in need of modular oncology clean room to process and compound cancer drugs for patients.	Cayuga NY	\$3,336
City of Auburn	Funding will be used to renovate the 1930s Auburn City Ambulance Department facility and to address the immediate need for modern medical transport services throughout Cayuga County.	Cayuga NY	\$6,000
Arnot Ogden Medical Center	Construction of an Emergency Operations Center at the Arnot Ogden to facilitate a protective and technologically advanced incident command center that assures improved redundancy and resiliency in monitoring life safety and patient care systems and security enhancements.	Chemung NY	\$2,000
Arnot Ogden Medical Center	Equipment and technology to support a new Simulation Lab for nursing students of the Arnot Ogden School of Nursing Associates Program and Residency Programs of Arnot Ogden Medical Center to enhance educational goals, quality instruction and hone clinical skills of nurses, providers and students.	Chemung NY	\$300
Arnot Ogden Medical Center	To expand infusion and outpatient services at the Falck Cancer Center with construction of a 4000 sq.ft. expansion of the building footprint and renovations to the existing space of approximately 5500 sq.ft. which will include associated equipment and a new PET Scanner room and equipment.	Chemung NY	\$8,028
Ira Davenport Memorial Hospital	This is an equipment replacement project for two end-of-life Fluoroscopy rooms in the Radiology Department at Ira Davenport Memorial that are vital for quality diagnoses for our outpatient, skilled nursing and emergency room patients.	Chemung NY	\$893
Elmira College	Elmira College proposes to update its aging IT Network Infrastructure to avoid a campus shutdown due to equipment failure, improve reliability and security of the network, provide a more robust broadband wireless service, and enable more technology-dependent academic programs to succeed.	Chemung NY	\$2,079
Christian Neighborhood Center Of Norwich, Inc. (dba The Place)	The Place will utilize funds for the renovation of 6000 square feet designated for childcare in the ACHIEVE building, located at 96 East Main St. Norwich, NY. The center will be licensed by NYS Office of Children and Family Services to care for 56 children under the age of 5.	Chenango NY	\$2,336
Billion Oyster Project	To enhance the Billion Oyster Project's STEM education curriculum with additional units that give students the ability to use data, research and hands-on activities to explore the effects of climate change and propose mitigation and resilience strategies for their local communities.	Citywide NY	\$740
Cicatelli Associates, Inc.	CAI seeks to address the Healthcare Workforce Shortage through our innovative Community Health Worker (CHW) certificate training program and registered apprenticeship to support the work-based training, career development, and social service needs of NYC-based community health workers.	Citywide NY	\$572
Common Threads	To expand interactive, evidence-based culinary and nutrition education programs that build healthy life skills and nutrition literacy for NYC students, parents/caregivers, and educators living in communities that experience disproportionate rates of diet-related disease and food insecurity.	Citywide NY	\$900

Volunteers of America-Greater New York, Inc.	VOA-GNY seeks congressional funding for the expansion of its high impact project that is demonstrating the prevalence of traumatic brain injury (TBI) among survivors of domestic violence and addressing the impact of TBI on the safety and well-being of survivors and their children.	Citywide NY	\$305
Plattsburgh-North Country Chamber of Commerce	The proposed project will help strengthen our regional workforce by providing the funding necessary to subsidize training on advanced manufacturing topics for both incumbent employees and individuals in the greater-Plattsburgh community.	Clinton NY	\$600
SUNY Cortland	SUNY Cortland will use a vacant building in the Cortland business district, creating a hub that supports new and small business and workforce development by utilizing student expertise, creating an entrepreneurial pipeline from high school through college and expanding programming.	Cortland NY	\$1,498
Cortland County	Investing in tailored workforce development funding, applying unique and non-traditional supportive services for the chronically unhoused and new Americans has a greater chance of leading to better outcomes than the traditional or current best practices for the underemployed and unemployed.	Cortland NY	\$856
Cortland County	Cortland County Mental Health Department healthcare facilities construction renovation project and equipment; for rural mental healthcare building renovation and improvement.	Cortland NY	\$2,000
The Research Foundation for the State of New York (on behalf of SUNY Delhi)	This funding will support SUNY Delhi's C-PASS Program serving at-risk and stopped out students through evidence-based academic recovery methods including retention coaching, peer mentoring, wrap-around services, STEM tutoring, and intrusive advising.	Delaware NY	\$1,800
Hudson Valley Regional Airport	To purchase two Pipistrel Alpha electric aircraft to train disadvantaged/minority students enrolled in the Red Tail Youth Flying Program.	Dutchess NY	\$500
Saving Our Tomorrow	Thrive Together is a vital initiative aimed at providing comprehensive support to youth facing adversity in the Hudson Valley region.	Dutchess NY	\$150
Saving Our Tomorrow	Thrive Together is a vital initiative aimed at providing comprehensive support to youth facing adversity in the Hudson Valley region.	Dutchess NY	\$150
Westchester Medical Center Foundation, Inc.	To improve the safety and environment of care for children, adolescents, and adults seeking urgent and emergent mental health crisis intervention services in the Hudson Valley region of New York State.	Dutchess NY	\$1,870
